

# ESOL/MATH 6-12 and SAT Test Prep instructor

Steve McCrea

2314 Desota Drive, Fort Lauderdale, FL 33301 954 646 8246 [VisualAndActive@gmail.com](mailto:VisualAndActive@gmail.com)

## TRAINING: CELTA

I obtained the RSA/CELTA through a course taught by English International (San Francisco)

## Charter Schools

I worked for four years in Charter schools and the public school system  
Substitute teacher in the Broward Public School system (Arthur Ashe, Fort Lauderdale High, College Academy, Stranahan, Sunrise Middle, Virginia Young Montessori)  
Hallandale Adult Community Center  
Downtown Academy (middle school)

## ESOL Teaching

I have worked in the Business and Summer programs and taught Cambridge (FCE, CAE), TOEIC and TOEFL prep courses.

## Math and Verbal SAT

I currently teach a five-week SAT Prep course and an introduction to "Fun Technology" for teachers at Broward College.

## Visual and Active Methods

I use computers and video cameras in the classroom (if students don't want to be on camera, I point the camera at a web site and ask the student to describe what is on the screen). I give my students CDs and DVDs to use in their follow-up work. My method of teaching is influenced by the small-school advocate Dennis Littky [bigpicture.org](http://bigpicture.org), who asks his teachers to link the class work with "real" homework in the outside world.

Examples of this sort of work include taking students to mentor younger English speakers in the local city school. My blog gives examples of these activities.

[FreeEnglishLessonsinFlorida.blogspot.com](http://FreeEnglishLessonsinFlorida.blogspot.com)

I also train teachers using visual and active methods of "edutainment"

## Steve McCrea - ESOL Instructor with Video Production

2314 Desota Dr, Fort Lauderdale, FL 33301-1567  
(954) 463-0310 • Mobile: (954) 646 8246
